Letter of **APPEAL**:

Reference:: Pasadena Unified School District  
Form 471 Application Number: 408707  
Funding Year 2004: 07/01/2004 – 06/30/2005  
Billed Entity Number 143544  
Applicant's Form Identifier: SchlMaxT1  
FRN 1120234  
FCDL Date: May 24, 2005, CC Docket No. 02-6

Dear Sir,

The following information is an appeal of the FCDL dated May 24,2005.

FCDL states that 28 Day Waiting Period Violated, A contract for a new service was signed prior to the required 28-day waiting period computed from the date of the posting of the Form 470 to the SLD Web Site.

The services identified in application 408707 are not contracted services from Pacific Bell Telephone Company. The services described are Month-to-Month services.

The contract in question is between Pacific Bell Telephone Company (SBC) and the State of California. The District **DOES** not have a contract with Pacific Bell (SBC). All services provided by Pacific Bell (SBC) are on a MONTH-to-MONTH basis. If the SLD is saying that the contract between Pacific Bell (SBC) and the State of California is a contract between the District and Pacific Bell (SBC), then all school districts would also have a contract with Pacific Bell (SBC). Based on all school district participating in the same program as Pasadena Unified School District does with Pacific Bell (SBC). Thus all district should be **DENIED** their Priority 1 Services.
